Sportsmanship

We play to win, however this must be done in the right way by showing great Sportsmanship.

We abide by the phrase Play Hard, Play Fair, Nobody Hurt.

Play Hard: Give 100% effort even if you have the smallest chance of victory.

Play Fair: We play our cricket within the rules and spirit of the game.

Nobody Hurt: both physically and mentally. We look after each other as a team and our opposition.

Playing the Toft Way

Be Respectful

Be respectful to yourself, your team mates, the opposition, your coaches and the officials.

We always shake hands after the game, win or lose. We are punctual, arriving at training or ground on time.

We are always polite, and we thank our coaches, managers and parents after each training session/match.

We are extremely welcoming to the opposition team at home or away.

We show integrity, true to ourselves, our club and values at all times and we represent the club at all times.

One Club Mentality

No one person is bigger than the club.

Toft is a family club and everyone is equal.

Everything we do is for the benefit of the club and its members on and off the field.

We are one big club and we celebrate each other's success.

All of our teams are equally important.

Playing the Toft Way

Sweep the Sheds

We do the small things that make the big difference across all ages.

We are never too big to tidy up after ourselves.

After each training session we all help to tidy up the equipment. We don't leave it to the coach/manager.

We leave the changing rooms in a clean and tidy state.

We take 100% responsibility for ourselves and our actions.

Playing the Toft Way

Be positive in everything you do

In playing, training or watching we take the positive option.

We have fun playing whatever the outcome.

We take on challenges and have no fear of failure.

We support our team-mates and never do or say anything to make our team-mates fear failure.

Enjoy your cricket! We are here to play and enjoy our wonderful game. Play with a big smile on your face!!
